

## REGISTRATION FOR SPONSORS

### Registration will open on the 19<sup>th</sup> of January 2026

You wish to support our event with a sponsoring fee? Thank you! In line with the principles of our society, aiming to provide equal opportunities to all members and sponsors, fostering innovation and setting up a well-balanced scientific program at our yearly radiopharmacy day, we have set up the following rules:

- We only accept a **fixed sponsoring amount of 500 CHF**.
- The sponsors can submit a **promotion video (max. 3 min)** and their **logo** for publication on the program of the Radiopharmacy Day.
- It is not possible to present in person (instead of the video).
- We distinguish between scientific presentations and sponsoring-related commercial presentations with product promotions. In general, we do not accept commercial presentations. Nevertheless, any member of the society (also industry) is welcome to propose a topic for a scientific presentation. The selection of the presentations, however, will be done by the board of the SGRRC, to ensure a coherent and balanced program.

The fee includes participation of 1 person at the event (make sure to **register yourself** over our webpage and indicate yourself as "SPONSOR" in the comments field). Any additional people who want to participate have to register apart and will have to pay the normal registration fee.

Once you registered, our cashier will contact you to set up the sponsoring contract.

### **Promotion Videos**

Sponsors can provide us a 3-minute video (*mp3* or *mp4* format) to advertise their products. Videos must be sent to us **latest by the 2<sup>nd</sup> of March 2026**. Later submissions will not be considered. The 3 minutes length must be respected; longer videos will be cut at 3-minutes. Like last year, there will be no space to expose sponsoring materials.

Please send the videos to Tilman Läppchen using one of the following methods:

- 1) Downloadable link from your sharepoint (DropBox, OneDrive, etc.). Please send the link to the following e-mail address: [tilman.laepchen@insel.ch](mailto:tilman.laepchen@insel.ch)
- 2) Send it per regular mail on a memory stick to the following address:  
*Inselspital, Universitätsklinik für Nuklearmedizin  
z.Hd. Dr. T. Läppchen, INO B 214.C  
Rosenbühlgasse 25, 3010 Bern*

### **Sponsoring advertisement during the event**

The sponsor's logo will be published on the program that is distributed during the event. Sponsors will be thanked in the opening lecture of the event and the videos will be integrated in the events program and shown to the audience. Please send a jpeg or png file of your logo to [tilman.laepchen@insel.ch](mailto:tilman.laepchen@insel.ch) **until latest the 2<sup>nd</sup> of March 2026** so we can add it on the program flyer. If you send it later, we cannot guarantee that the logo will be printed on the program.

We thank you and we are looking forward to seeing you!

Tilman Läppchen  
Secretary and Vice-President [SGRRC](#)
